PARENTS' EYES AND EARS AWARENESS PROGRAMME SECURITY ROSTER

Dear Parents

The Eyes and Ears Awareness Programme has been running successfully at each of our campuses. From the time that your child enters the school system, you will be asked to play your part in this programme.

This programme is a way of bolstering the security of our children when they arrive at and leave school at regular times. The success of this programme is due to the continuous effort and commitment of our parent body.

The rosters are prepared each term, and we ask you to consider assisting us in this programme.

Thank you for your support.
