SECURING JEWISH EDUCATION

DISPELLING THE MYTH SECURING JEWISH EDUCATION

AMANDA ZAR
The Herzlia Foundation Trust

Our vision is to raise funds to future-proof UNITED HERZLIA SCHOOLS through the creation of an endowment. This will ensure that no Jewish child is denied a Jewish education and that HERZLIA remains a Jewish community school providing educational excellence with world-class facilities. It is critical that our community understands the importance of what we at The Herzlia Foundation Trust do and that our work and approach continues to be professional, strategic and focused.

DISPELLING THE MYTHS

1. The Herzlia Foundation Trust is adequately funded.
2. Full fee paying parents subsidise children who require a bursary.

THE TRUTH

1. Bursaries are funded by the income received from The Herzlia Foundation Trust and from an allocation by the United Jewish Campaign (UJC).
2. Income from The Herzlia Foundation Trust's investments only provide for half the annual cost of bursaries.

The reality is that 1 in 7 pupils that's 17% of Jewish children at HERZLIA need assistance with their fees.

The Herzlia Foundation Trust continues to support hundreds of Jewish children whose parents are unable to afford HERZLIA school fees.
