THE HERZLIA FOUNDATION TRUST VISITS JOZI

AMANDA ZAR
The Herzlia Foundation Trust

There are over 600 Herzlia Alumni currently living in Johannesburg. Geoff Cohen (Director of Education, UHS) and I decided to visit Johannesburg to connect share, clarify, articulate and engage about the critical work of The Herzlia Foundation Trust (The Foundation). Our message was simple – you as Alumni have the opportunity to truly change a child's life.

After meeting so many Alumni face to face I realised that even though so many of our Alumni left Cape Town years ago and have immersed themselves in their new communities, their passion and appreciation for their HERZLIA education remains strong.

Over 80 Alumni attended an incredible reunion, generously hosted by Investec Bank. Our special guest speaker, Samuel Seeff, Chairman of Seeff Properties and Advisory Committee Member of The Herzlia Foundation Trust updated the Alumni on the realities of the Cape Town Jewish community. Geoff Cohen spoke about the HERZLIA of today and engaged with the Alumni, sharing memories, singing the old school song and answering relevant and insightful questions. I proudly presented our new video, which passionately and clearly articulates the work of The Foundation.

In my address, I informed everyone about our growing Individual Giving Campaign that gives everyone the opportunity to make a difference in securing Jewish education and continuity. Again, I was truly humbled by the incredible response and support that Geoff Cohen and I received. There is no question that HERZLIA remains entrenched in the hearts of so many of our Alumni and the values instilled during their time at school inform the remarkable people they are today.
